STATEMENT OF ISSUES

PLEASE TAKE NOTICE that upon the following issues pray to be heard by the submission of this appeal.

Re: Claims 11631, 11637, and 11673

-Due process and an opportunity to be heard made available.

-A formal in person hearing to address the unresolved issues at the May 6th 2008 hearing where it was determined that a facts needed to be addressed in court and that representatives of Northwest Airlines would be present for questioning as it related to this case.

-For NWA attorney to comply the Judge's instructions to prepare and deliver questions to Mark Francis in a timely manner as stated on May 6th 2008.

-For Arbitration to be entered into by both parties and a full faith effort be made before dumping the above valid claims in the garbage, because NWA wants to merge with Delta airlines and walk away for their NWA Name, the hard working older people who NWA replaced...like myself, that can not return to their jobs as they've abolished them and hired the how many attorney's?

APPEAL SUMMARY

PLEASE TAKE NOTICE that mistakes occurred and this objection is submitted on the following grounds:

Re: Claims 11631, 11637 and 11673

On May 6th, 2008 at the 11am hearing, The Honorable Judge ALLAN L. Gropper, ORDERED Cadwalder, Wickersham & Taft to draft written questions related to one of the three above listed claims for Mark Francis to respond to within a limited time period, which Cadwalder failed to comply.

-To date no such drafted questions exist and therefore, Need to be drafted and made available to Mark Francis, so that all the facts can be heard.

-The remaining claims are said to have survived and remain open, which is not reflected in this one-sided proposed order.

Furthermore, On June 4th, 2008. An attempt to be heard on was denied Due to the fact the attorney for NWA, choose to confuse the issues, ramrod the court with other unrelated claims and disallow a response , which caused mistakes to be made and the court to refer to Mr. Francis as Mr. Foster and prematurely cut off communication to Mr. Francis who informed the court of his needs and disability that inhibited the status hearing when Judge Gropper disconnected in the middle of a sentence and all attempts to call back into the specified conference number were disallowed.
